

Who we are

The mission of GreySave Greyhound Adoptions is to facilitate the adoptions of greyhounds, those whose racing careers have ended, and those who have been abandoned or who are unwanted; to positively impact the welfare of greyhounds; and to educate the public about greyhounds, their appeal as pets, and their care. We want to help bring about a time when no greyhounds are destroyed at the end of their racing careers.

How you can help...

What we do

Our GreySave goal is to find permanent and loving homes for greyhounds and to help spread the word about how wonderful greyhounds can be as pets.

Why we do it

GreySave is the result of a small group of greyhound lovers' desire to work together to do something "greyt" for greyhounds. It's all about the dogs!

How we do it

GreySave is a completely volunteer staffed non-profit, charitable 501(c)(3) organization; we have no paid or salaried positions. We support the group through fundraising events and donations/gifts from individuals, organizations and businesses. Our activities include greyhound adoptions, greyhound social events and get-togethers, "Meet and Greets" where the public can get to know greyhounds in person, and fundraising events. GreySave works with race tracks, breeders and other greyhound adoption organizations to find greyhounds whose racing and/or breeding days are over or who no longer have someone to care for them.

Adopt

Complete an adoption application online and after the application is reviewed, a volunteer will meet with your family at your home to answer questions and evaluate whether a greyhound is the right dog for your family. Once approved, we will work with you to select the most compatible dog based on your situation.

Foster

We are always looking to add new foster homes! About once a month we bring a group of dogs up from the track. How many we can bring depends largely on how many foster homes we have.

Volunteer

Volunteer at a homecoming day, meet & greet event, or spa day fundraiser! Check out the Event Calendar on our website for opportunities to participate and e-mail us with questions to learn more about how to make a difference in the lives of these retired greyhounds.
