

Foster Homes Needed For Ex-Racing Greyhounds

GreySave is a 501(c)(3) not-for-profit that brings ex-racing greyhounds in from the track and finds them a Forever Home.

To do this, we place 100% of our greyhounds in foster homes where they can transition from a working dog to a lifelong companion.

At the track, they lived a very different life from what their future holds and they have to learn the ropes. It is in the foster home where they learn all the important behaviors they have missed. Greyhounds tend to be quick learners, a bit timid, eager to please so they adjust quickly to what is needed to be a companion. It just takes structure, patience and some support from an experienced organization like GreySave. The foster home provides the love, training and guidance. GreySave provides for veterinary costs and matching them with a greyt Forever Home.

If you would like to find out more about fostering one of these truly greyt hounds contact GreySave at info@greysave.org or put in an [on-line application](#) indicating you are interesting in fostering. If you prefer to speak to a representative call either [Sandy Hightower](#) the Foster Cordinator at 714- 342-4193 or [Deb Ward](#) Adoption Representative at 818-298-1872
